

**RESOLUTION NO. 2567**

**EAST NORRITON TOWNSHIP  
MONTGOMERY COUNTY, PENNSYLVANIA**

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF EAST NORRITON  
TOWNSHIP, MONTGOMERY COUNTY, PENNSYLVANIA IN SUPPORT OF  
RENEWING GROWING GREENER**

**WHEREAS**, the Growing Greener program has provided funding for preserving open space and farmlands, developing, community park and recreation areas, cleaning up abandoned mines and brownfield sites, restoring impaired rivers and streams, protecting and improving our state game, forest, and park lands; and

**WHEREAS**, East Norriton Township seeks to protect the health of its citizens and enhance the quality of life for its residents, in part by planning for and implementing projects that preserve open space and historic resources, providing for community parks and recreation, and safeguarding water resources; and

**WHEREAS**, these projects also provide significant health and economic benefits, increase property values and improve the community's ability to attract growing businesses; and

**WHEREAS**, East Norriton Township has learned that Growing Greener II will soon expire and funds for Growing Greener I have been precipitously diminished; and that this will affect the community's ability to restore and protect our local environment and the environment of Montgomery County; and

**WHEREAS**, East Norriton Township understands that throughout Pennsylvania, Growing Greener II has helped to preserve nearly 34,000 acres of working family farms; conserve more than 42,300 acres of threatened natural areas; restore more than 1,600 acres of abandoned mine lands; and enhance access to outdoor recreation through 234 community park projects and 132 state park and forest infrastructure projects; and

**WHEREAS**, Article I, Section 27 of the Pennsylvania Constitution states that, "The people have a right to clean air, pure water, and to the preservation of the natural, scenic, historic and esthetic values of the environment. Pennsylvania's public natural resources are the common property of all the people, including generations yet to come. As trustee of these resources, the Commonwealth shall conserve and maintain them for the benefit of all the people"; and

**WHEREAS**, East Norriton Township realizes that the Commonwealth is losing three times more forest, wildlife habitat, farmland and other open spaces to development that it is able to preserve; and that the Commonwealth has over 16,000 miles of rivers and streams that are unsafe for fishing and swimming; and that in Pennsylvania more than 2,000 working family farms await protection from encroaching development; and that 189,000 acres of abandoned mine lands scar 44 of the Commonwealth's counties; and that the grant funds available for community and county recreation, greenways and trails projects have been severely diminished;

**WHEREAS**, East Norriton Township wishes to encourage and support renewed funding for the *Growing Greener* program, before the last of the Growing Greener II funds are spent in 2011.

**NOW, THEREFORE BE IT RESOLVED** that:

1. East Norriton Township supports renewal of Growing Greener by the General Assembly and Governor Corbett with dedicated, sustainable and long term funding sources.
2. The signed resolution shall be forwarded to the Governor and our respective county and state legislators.

**ADOPTED** by the Board of Supervisors of East Norriton Township on the 25<sup>th</sup> day of October, 2011.
