### 2.1.7 Vehicle Inspections

- A. Vehicle inspections shall be completed MONTHLY. This inspection will be performed by the Sergeants. This inspection is to determine condition, damage, loss or need to replace, repair or add to the patrol vehicle and its accessories. Such equipment includes, but is not limited to: emergency blanket, first aid kit, flares, fire extinguisher, traffic cones, traffic vest, protective gloves, protective mask, and body armor.
- B. Vehicle Inspection Reports will be completed and submitted to the Chief or designee.
- C. Officers operating patrol vehicles due for regular service, or are in need of minor repairs, shall schedule an appointment for the service or take the vehicle to the service station for the minor repair.
- D. Other major problems or those that require service at a station outside the jurisdiction shall notify the Chief.

By order of:

A handwritten signature in cursive script, appearing to read "Brandon Pasquale".

Brandon Pasquale  
Chief of Police
