Positive ID Prior to Release

3.1.15 Positive Identification Prior to Release

- A. All individuals arrested by this Department or held in the holding facility shall be positively identified, and a records check performed before release.
- B. It is recommended that those in custody for a criminal violation, be transported to a Live-Scan Facility for identification and records check. Other recommended methods of identification include, but are not limited to:
 - 1. Photo identification, to include Driver's License, Military ID, Bank or other legitimate photo identification,
 - 2. A records check with the Pennsylvania Department of Transportation or other State Motor Vehicle licensing agency,
 - 3. Prior arrest records checked through the Montgomery County Communications Center,
 - 4. Contact with family members who can produce proper identification of themselves and the detainee.

By order of:

A handwritten signature in cursive script, appearing to read "Brandon Pasquale".

Brandon Pasquale
Chief of Police
