March 23, 2011

**Revised Date:**

April 18, 2017

**PLEAC STANDARD Reference**

3.1.1

**Index Words**

Personnel Training Requirements

### Organization, Administration and Management of Cells and Cell Areas

The purpose of this order is to establish Departmental guidelines for the temporary detention of detainees, and to ensure compliance with all current laws for the temporary detention of detainees.

It shall be the policy of the East Norriton Township Police Department to afford the highest degree of safety for the detainee while in such police custody.

#### **3.1.1 Operations/Training for Cell Areas**

**A. Training and orientation of Departmental Personnel.**

1. All sworn Departmental personnel will be trained in the operation of the holding facility area. This training shall include:
  - a. Fingerprinting.
  - b. Photographing.
  - c. Locking mechanisms on cells.
  - d. Interview rooms.
  - e. Metal detectors.
  - f. Fire/smoke detectors
2. Such training shall be provided to all probationary officers by a member of the Detective Unit or designee, as part of the Field Training Program.
3. Training in fire suppression, i.e., proper use of a fire extinguisher shall be provided by the Fire Marshal or a member of the Norriton Fire Company.

By order of:

A handwritten signature in cursive script, appearing to read "Brandon Pasquale".

Brandon Pasquale  
Chief of Police
