Minimum Physical Conditions

### 3.2.2 Physical Conditions for Temporary Holding Area

- A. While a prisoner is held in the Temporary Holding Area, they shall be allowed access to drinking water and toilet facilities.
- B. Potable water and toilet facilities are supplied through the holding cells, and if necessary, a bathroom facility in the hallway. Detainees using the hall facility shall be escorted to and from the facilities and supervised at all times.
- C. Compliance with all previous Holding Facility General Orders shall apply.

By order of:

A handwritten signature in cursive script, appearing to read "Brandon Pasquale".

Brandon Pasquale
