

ORDINANCE NO. 510

EAST NORRITON TOWNSHIP

MONTGOMERY COUNTY, PENNSYLVANIA

**AN ORDINANCE AMENDING THE CODE OF EAST NORRITON TOWNSHIP,
SPECIFICALLY CHAPTER 165, SOLID WASTE, ARTICLE I, SOLID WASTE
MANAGEMENT**

**BY THE BOARD OF SUPERVISORS OF EAST NORRITON TOWNSHIP,
MONTGOMERY COUNTY, PENNSYLVANIA UNDER AND BY VIRTUE OF
AUTHORITY GRANTED BY THE SECOND CLASS TOWNSHIP CODE DOES
HEREBY ENACT AND ORDAIN:**

SECTION I.

The Code of East Norriton Township, Chapter 165, Article I, Solid Waste Management, is hereby amended and replaced in its entirety with the following:

**ARTICLE I
Solid Waste Management**

§ 165-1. Definitions and word usage.

A. The following terms shall have the following meanings in this article:

ACCEPTABLE WASTE—Municipal waste which is collected from the general public or is otherwise consistent with Section 7701(e)(3)(B) of the Internal Revenue Code of 1986, as amended, which is not unacceptable waste.

COMPANY—Dravo Energy Resources of Montgomery County, Inc.

CONTRACTOR—Dravo Operations of Montgomery County, Inc.

COUNTY—The County of Montgomery, Pennsylvania.

COUNTY ORDINANCE—An ordinance enacted by the county creating the county system, providing for the licensure of various persons, regulating waste flow and setting forth certain related provisions.

COUNTY SYSTEM OR SYSTEM—The county solid waste management and disposal

system created by the county and every aspect thereof, including but not limited to equipment, transfer and resource recovery facilities, residue disposal sites, contractual arrangements or other rights, owned, acquired, leased, placed under contract, constructed or assumed, operated or to be owned, acquired, leased, placed under contract, constructed, operated or assumed by the county or any agent, designee or contractor in connection with the plan.

DATE OF COUNTY SYSTEM OPERATION—That date on which the county system shall be declared by the county to be ready to commence the disposal of acceptable waste on a sustained basis.

EXISTING CONTRACT—Any agreement or contract fully executed prior to the effective date of this article for the collection, disposal or transportation of municipal waste generated within this municipality.

EXTERIOR PROPERTY – The open space on the premises and on adjoining property under the control of owners or operators of such premises.

FACILITY—Any agreement or contract fully executed prior to the effective date of this article for the collection, disposal or transportation of municipal waste generated within this municipality.

FACILITY AGREEMENT—The amended and restated facility agreement among the company, contractor and the Montgomery County Industrial Development Authority, as such may be further amended from time to time.

LICENSED HAULER – Any owner of a waste transportation vehicle licensed under Pennsylvania Act 90.

MUNICIPAL COMMITMENT—The obligation of each participating municipality to deliver, or cause to be delivered, to the county system all of the residential component of its municipally generated acceptable waste, and such other acceptable waste as the participating municipality and the county may hereafter agree to include in such municipal commitment.

MUNICIPALITY—The Township of East Norriton (a Township of the second class) located within the County of Montgomery, Commonwealth of Pennsylvania.

MUNICIPAL WASTE—Any garbage, refuse, industrial lunchroom or office waste and other material, including solid, liquid, semisolid or contained gaseous materials, resulting from operation of residential, municipal, commercial, or institutional establishments and from community activities and any sludge not meeting the definition of residual waste or hazardous waste in Act 97 and Act 101 from a municipal, commercial or institutional water supply treatment plant, wastewater treatment plant or air pollution control facility.

MUNICIPAL WASTE AUTHORITY—The Waste System Authority of Montgomery County, created by the county for purposes relating to municipal waste processing and disposal and/or the intermunicipal agreement and the County Waste Flow Ordinance.

NONPROCESSIBLE WASTE—That portion of acceptable waste which consists of:

- (1) White goods;
- (2) Automobile tires in quantity; or
- (3) Noncombustible items, stumps, logs, brush and other waste which either:
 - (a) Weighs in excess of 25 pounds; or
 - (b) Exceeds one of the following dimensions: four feet in length, four inches in diameter or four inches in thickness.

OWNER — Any person, agent, operator, firm or corporation having a legal or equitable interest in real estate in the Township of East Norriton or otherwise having control of the property, including the guardian of an estate of such person and the executor or administrator of the estate of such person.

PERSON—Any individual, firm, partnership, corporation, association, institution, cooperative enterprise, trust, municipal authority, federal institution or agency, state institution or agency, municipality, other governmental agency or any other legal entity or any group of such persons whatsoever which is recognized by law as the subject of rights and duties. In any provisions of this chapter prescribing a fine, penalty, imprisonment or denial or grant of any license, or any combination of the foregoing, the term "person" shall include the officers and directors of any corporation or other legal entity having officers and directors.

PLAN—The countywide municipal waste management plan developed by the county and approved by the Department of Environmental Resources, as such may hereafter be amended or modified in compliance with law.

POINT OF ENTRY INTO THE COUNTY SYSTEM—Any delivery point within the county system designated by the county for delivery of municipal waste.

PREMISES — A lot, plot or parcel of land, including any structures thereon.

PROCESSIBLE WASTE—That portion of acceptable waste which is not nonprocessible waste.

RECYCLING or RECYCLED—The collection, separation, recovery and sale or reuse of metals, glass, paper, leaf waste, plastics and other materials which would otherwise be disposed or processed as municipal waste or the mechanized separation and treatment of

municipal waste (other than through combustion) and creation and recovery of reusable materials other than a fuel for the operation of energy.

RESIDENTIAL COMPONENT - All acceptable waste generated by households within a participating municipality, exclusive of multiple-family dwellings which are not included in the calculation of the residential component pursuant to regulations of the county.

SERVICE AGREEMENT—The amended and restated municipal waste disposal service agreement by and between the county and Dravo Operations of Montgomery County, Inc., or any successor thereto, as such may be further amended from time to time.

SOURCE SEPARATION - The segregation and collection, prior to the point of entry into the county system for the purpose of recycling of individual components of acceptable waste, such as (without limitation) bottles, cans and other materials in accordance with Act 101.

TENANT — A person, corporation, partnership or group, whether or not the legal owner of record, occupying a building or portion thereof as a unit.

UNACCEPTABLE WASTE

- (1) Explosives, pathological and biological waste, residual waste and hazardous waste, radioactive materials, sludges, cesspool or other human waste, human and animal remains, motor vehicles, liquid waste, contained gaseous materials which may pose a hazard to the facility or the community, hazardous substances as defined in the Federal Comprehensive Environmental Response, Compensation and Liability Act, as it may be amended from time to time hereafter, and any analogous federal, state or local law, ordinance, rule or regulation as may be applicable at the time of delivery of waste to the facility, and commercial waste which is not permitted by law to be treated and disposed of in the facility;
- (2) Any item of waste either smoldering or on fire;
- (3) Construction and demolition debris, ashes, incinerator residue and foundry sand;
- (4) Waste in quantities and concentrations which require special handling in their collection and/or processing, including medical or other "red bag waste"; and
- (5) All other items of waste which, at the time of delivery to the facility, would be likely to pose a threat to health or safety or have been prohibited by any valid and enforceable judicial decision, order or governmental action from being accepted by the facility.

WHITE GOODS - Refrigerators, washing machines, dryers, window air conditioners, hot-water heaters and other major home appliances.

YARD — An open space on the same lot with a structure.

- B. All other capitalized words and phrases shall have the same meanings as set forth in Act 97 or Act 101 as they may hereinafter be amended or supplemented by legislation regarding municipal waste management or planning, or as set forth in the intermunicipal agreement, facility agreement or service agreement. To the extent that any definition herein varies from the definition in the intermunicipal agreement, the definition in the intermunicipal agreement shall control.

§ 165-2. Accumulation of Rubbish or Garbage.

- A. **PROHIBITED.** All exterior property and premises and the interior of every structure shall be free from any accumulation of Municipal Waste.
- B. **METHOD OF DISPOSAL.** The occupants of a structure shall dispose of all Municipal Waste in a clean and sanitary manner by placing such Municipal Waste in approved containers.
- C. **CONTAINERS REQUIRED.** The owner of every dwelling shall supply approved leakproof, covered, outside garbage containers of sufficient number so that all garbage and refuse of all of the occupants of the premises can dispose of their municipal waste in a garbage container and so that no municipal waste is stored by any occupant of the premises outside of a garbage container at any time.
- D. **STORAGE OF MUNICIPAL WASTE.** The owner of any premises shall provide at all times approved leakproof containers with close-fitting covers for the storage of municipal waste until such time as the municipal waste is removed from the premises for disposal.
- E. **REMOVAL BY LICENSED HAULERS.** Every owner in East Norriton Township shall contract with an individual, entity or firm which is a licensed hauler by the Commonwealth of Pennsylvania to have all the municipal waste generated on the premises by any of the occupants of the premises removed and deposited in a permitted landfill on a weekly basis or more often.
- F. **PROOF OF CONTRACT REQUIRED.** Whenever requested by East Norriton Township, the owner of any real estate within the Township shall present proof adequate in the judgment of the Township designee that the owner of said real estate has a current contract with a licensed hauler to dispose of municipal waste generated on the premises on a weekly basis or more often. The owner of the premises shall have 72 hours to provide proof to the Township designee that he has a current contract with a licensed hauler to provide sufficient service to satisfy the terms and conditions of this article.

- G. DUTIES OF HAULERS. Any hauler picking up municipal waste in East Norriton Township, shall be required to advise the Township in writing within 72 hours after request from the Township as to whether an owner has a current contract for municipal waste disposal from his premises within the Township. Furthermore, all licensed haulers shall cooperate with the Township designee in providing information in the event that an action is instituted to enforce the terms and conditions of this article.
- H. COMPOST PILES. Notwithstanding the terms of this article, compost piles kept by occupants or tenants of a structure shall not violate the terms and conditions of this article, provided that the materials in the compost piles do not generate any offensive odors and provided further that said compost piles are secure so that animals do not spread the materials from the compost piles around the premises.

§ 165-3. Operator's license required; compliance.

- A. Licensing. No person who is not duly licensed or deemed to be licensed by the county may collect or transport municipal waste located or generated within the municipality. This waste collection or transportation license shall be a county license issued by the county or the municipal waste authority. The municipality shall administer such license upon request of the county or the municipal waste authority.
- B. Compliance with rules, regulations and ordinances. In carrying on activities related to solid waste collection or transportation within this municipality, all municipal waste collectors and all municipal waste transporters shall comply with the county ordinance, this chapter and the other municipal waste flow ordinances and all rules and regulations pertaining to the collection, transportation and disposal of solid waste as may be hereafter promulgated by the municipality, or by the municipal waste authority or the county. Delivery by such collectors or transporters to the county system of unacceptable waste, nonprocessible waste (except for white goods) and waste from unapproved sources is prohibited.
- C. Administration. Licenses hereunder shall be issued and revoked by the county or the municipal waste authority, and administered by them or, at their request, by the municipality. Any collectors or transporters who fail to comply with the provisions of this chapter shall be subject to any applicable sanctions in addition to the revocation of their licenses.

§ 165-4. Disposal; recycling.

- A. Delivery to county system. Except as provided in Subsections B and C below, all acceptable waste generated within this municipality shall be delivered to the county system and, all acceptable waste collectors and transporters shall deliver to and dispose of all acceptable waste collected or generated within municipality to solid waste facilities designated in the plan at one or more points of entry into the county system

as designated from time to time by the county or the municipal waste authority.

- B. Disposal at other sites. Disposal of municipal waste collected or generated within the municipality may occur at other sites only as permitted by rule, regulation, ordinance or order duly issued by the county or municipal waste authority or by the written agreement of the county or municipal waste authority and the municipality.
- C. Recycling. Nothing herein shall be deemed to prohibit source separation or recycling or to affect any sites at which source separation or recycling may take place.

§ 165-5. Additional rules and regulations.

- A. Compliance with county regulations. The collection, transportation and disposal of municipal waste present or generated within municipality shall be subject to such further reasonable rules and regulations as may from time to time be promulgated by the county, including any amendments to the County Waste Flow Ordinance and to such reasonable rules and regulations as may be adopted by the county or the municipal waste authority including, without limitation, regulations relating to the operation, management and administration of the county system, applications and standards for licensing, requirements for payment bonds or other payment security, including but not limited to meeting liability insurance requirements, fees to be charged for such licensing, the terms of licenses, procedures, recordkeeping, transportation routes, payment for services, billing for shortfalls, sanctions for nonpayment and other matters. To the extent that a municipality is engaged in the administration of any licenses pursuant to written agreement with the county as required in Section 303(d) of Act 101 and as provided in the County Waste Flow Ordinance, it shall do so in accordance with the foregoing rules and regulations and, in any event, at the direction of the county.
- B. Adoption of regulations. Rules and regulations adopted by the county or municipal waste authority for the county system shall be deemed rules and regulations adopted under this chapter. Each of the municipalities shall abide by such rules and regulations and will not adopt any rules and regulations to the contrary.
- C. Consistency of regulations with ordinance and other laws. No rules or regulations adopted by the municipality pursuant to this chapter shall be in violation of, inconsistent with or less stringent than the provisions of this chapter, the other municipal waste flow ordinances, the County Waste Flow Ordinance, the plan, the provisions and purposes of Act 97, Act 101 or regulations adopted there under, or such other laws, regulations or requirements as may be enacted by the United States of America, the Commonwealth of Pennsylvania, the Pennsylvania Department of Environmental Resources or the Pennsylvania Environmental Quality Board governing municipal waste planning, collection, storage, transportation, processing or disposal.
- D. Enforcement of waste flow control. Enforcement of waste flow control and the terms of

and any duties established pursuant to the County Waste Flow Ordinance, the other municipal waste flow ordinances and this chapter will be the responsibility of the county or the municipal waste authority or the municipalities at the direction of the county or the municipal waste authority.

§ 165-6. Annual survey.

- A. An annual survey of all generators of municipal waste and of all municipal waste collectors and municipal waste transporters, any landfill operators, any transfer station operators or any other parties involved in the collection, transportation, processing or disposal of municipal waste of the municipality, shall be conducted by an engineering consultant designated by the county or the municipal waste authority. Such engineering consultant shall estimate based on such survey the amount of each type of municipal waste of the municipality expected to be generated in the following year, after recycling, in total and in each of the following categories:
- (1) Municipally collected.
 - (2) Municipally contracted.
 - (3) Municipal waste disposal arranged for by residents.
 - (4) Municipal waste disposal arranged for by apartment houses, condominium associations and other multi-resident dwellings.
 - (5) Municipal waste disposal arranged for by commercial establishments.
 - (6) Other.
- B. All persons who are the subject of this survey are required to cooperate in the taking and preparation of the survey.
- C. In connection with the annual survey, pursuant to the intermunicipal agreement, at the beginning of the first operating year and at least 150 days prior to the beginning of each subsequent operating year, the county and the municipality shall jointly specify the size of the projection of the municipality's municipal commitment for such operating year, which projection shall be equal to the amount of the municipality's residential component (as reasonably determined by an engineer retained by the county or municipal waste authority for this purpose, after taking into account any and all information provided by the municipality) plus any other amounts agreed upon by the county and the municipality. This projection will be net of any waste removed as a result of source separation. This projection shall be further stated in 12 monthly projections, the sum of which shall be equal to the operating year projection. This projection shall be adjusted by the county from time to time following consultation with the municipality, as and when the county determines that such projection was incorrect, and from year to year in accordance with

the experience of the previous year and the volume anticipated in the coming year.

- D. At the time, that the county and municipality make the foregoing projection, the municipality shall assist the county in projecting the total amount of acceptable waste expected to be generated within the municipality during the forthcoming operating year.
- E. Based upon the foregoing projections, the county shall make projections of total tonnage and projections of monthly tonnage as required pursuant to any applicable disposal agreements, including the service agreement with respect to the facility. The county shall use its best efforts to maximize the tonnage delivered to the facility up to the maximum capacity of the facility.

§ 165-7. Restrictions.

- A. The municipality shall not construct, enlarge, operate or contract for or renew any contract for any facility or hauling to any facility, other than a facility designated by the county pursuant to the intermunicipal agreement or regulations promulgated pursuant to the intermunicipal agreement, for, or enter into or renew any contract for, the treatment, processing and/or disposal of municipally generated acceptable waste, except as shall conform to the county ordinance and this chapter and as the county may expressly agree to in writing. In addition, the municipality shall take all such action as may be necessary to ensure that all of its obligations will be met once the county system is operational. The municipality shall agree to use its best efforts to assign its rights under any contract concerning the use of any disposal facilities or transfer stations to which it was a party, to the county on the effective date of the intermunicipal agreement. Any such assigned contract shall become part of the county system; provided, however, with respect to any such contracts for which assignment is not possible, each participating municipality shall act at the direction of the county with respect to such contract, and such contract shall be deemed to be part of the county system.
- B. No person shall enter into any contract or conduct any other activity concerning the collection, transportation, processing or disposal of municipal waste in the municipality in contravention of the terms of the County Waste Flow Ordinance, this chapter or any rules and regulations issued there under.
- C. Recycling. Nothing contained in this chapter shall interfere with the operation of any program for recycling.
- D. This chapter shall be construed consistently with Act 97 and Act 101.

§ 165-8. Creation of municipal waste authority.

The county will create a municipal waste authority to administer the terms of the County Waste

Flow Ordinance and to operate the county system. This authority shall be recognized as having the power to act in place of the county, to the extent determined by the county.

§ 165-9. Prohibited acts; public nuisance.

- A. Unlawful conduct. It shall be unlawful for any person to:
- (1) Violate, cause or assist in the violation of any provision of this chapter, any rule, regulation or order promulgated hereunder or any rule, regulation or order promulgated by the county or the municipal waste authority consistent with this chapter.
 - (2) Transport, process, treat, transfer or dispose of or cause to be processed, treated, transferred or disposed municipal waste generated within the municipality, except as provided for in this chapter.
 - (3) Collect or transport municipal waste present or generated within the municipality without a valid license or collection or transportation issued by the county or the municipal waste authority.
 - (4) Hinder, obstruct, prevent or interfere with the municipality, the municipal waste authority or the county or their personnel in the performance of any duty under this chapter or in the enforcement of this chapter.
 - (5) Act in a manner that is contrary to Act 97 or Act 101 regulations promulgated there under the plan, this chapter, the county ordinance, rules or regulations promulgated under this chapter, the county ordinance or the terms of licenses issued there under.
- B. Public nuisance. Any unlawful conduct set forth in § 165-8A hereof shall constitute a public nuisance.

§ 165-10. Violations and penalties.

Any person who engages in unlawful conduct as defined in this chapter shall, upon conviction thereof, in a summary proceeding before a District Justice, be sentenced to pay a fine of not more than \$1,000 and not less than \$500 and, in default of payment thereof, and may prescribe imprisonment to the extent allowed by law for the punishment of summary offenses.

§ 165-11. Revocation of license.

Upon finding that any person has engaged in unlawful conduct as defined in this chapter:

- A. The municipal waste authority or the county may revoke any license issued to that person in accordance with § 165-2 of this chapter.
- B. The municipal waste authority or the county may deny any subsequent application by that person for a license pursuant to § 165-2 hereof.

§ 165-12. Injunctions; concurrent remedies.

- A. Restraining violations. In addition to any other remedy provided in this chapter, the municipality or the county may institute a suit in equity where unlawful conduct or public nuisance exists as defined in this chapter for an injunction to restrain a violation of this chapter or rules, regulations, orders or the terms of licenses promulgated or issued pursuant to this chapter. In addition to an injunction, the court may impose penalties as authorized by § 165-9 hereof.
- B. Concurrent remedies. The penalties and remedies prescribed by this chapter shall be deemed concurrent. The existence or exercise of any remedy shall not prevent the municipality or the county from exercising any other remedy provided by this chapter or otherwise provided at law or equity.

§ 165-13. Intermunicipal agreement.

- A. Entry into intermunicipal agreement. In order to implement the intent and terms of this chapter, the municipality, pursuant to the authority of the Intergovernmental Cooperation Act, Act of July 12, 1972, No. 180, codified as 53 P.S. §§ 481 to 490 (Purdon 1974 and Purdon Supp. 1988), and Article IX, Section 5, of the Constitution of the Commonwealth of Pennsylvania, has determined to enter into the intermunicipal agreement between the municipality, the county and other municipalities within Solid Waste District Nos. 1 and 2 the county, together with such changes consistent with this chapter, if any, as may be approved by the officials or the parties executing the same, such execution to be conclusive evidence of such approval.
- B. Terms and implementation of intermunicipal agreement. As more fully set forth in the intermunicipal agreement and this chapter:
 - (1) Conditions and terms of intermunicipal agreement. In the intermunicipal agreement:
 - (a) The county or the municipal waste authority agrees to arrange through the county system for the provision of municipal waste disposal facilities for the economical and environmentally sound disposal of acceptable waste generated within the participating municipalities, and in the course

thereof, to arrange for the construction of a privately owned one-thousand-two-hundred-ton-per-day facility for the processing or other disposition of acceptable waste generated within the several jurisdictions of the participating municipalities.

- (b) The participating municipalities state that they have enacted a municipal waste flow ordinance in a form substantially similar to this chapter and assure that the residential component of their acceptable waste will be delivered to the county system.
 - (c) The county or the municipal waste authority agrees to enact or cause to be enacted rules and regulations: and to enforce or cause to be enforced this chapter and the County Waste Flow Ordinance and the parallel municipal waste flow ordinances.
 - (d) The parties agree to cooperate in the joint enforcement of the intermunicipal agreement and all ordinances enacted pursuant to the intermunicipal agreement and the participating municipalities thereby agree cooperatively to exercise, to delegate to the county or the municipal waste authority, and to allow delegation of such powers, duties and responsibilities as set forth in the intermunicipal agreement.
- (2) Duration of term of the intermunicipal agreement. The term of the intermunicipal agreement shall commence on the dosing date for the financing of the facility and shall terminate on the earlier of the 30th anniversary of such date or at the end of the operating year in which all bonds and any other indebtedness outstanding issued in connection with the bonds or owed to any assignee has been paid in full.
 - (3) Purpose and objectives of intermunicipal agreement. The purpose of the intermunicipal agreement is to provide a mechanism to finance, to construct and to operate the county system to serve the municipalities within the county and to provide continuing municipal waste planning as more fully set forth in the recitals to the intermunicipal agreement and this article.
 - (4) Manner and extent of financing the intermunicipal agreement. During the term of the intermunicipal agreement, participating municipalities and other persons using the county system shall pay to the county on a monthly basis the then-current per-ton municipal tipping fee, plus any other charges payable, as specified by the county and then in effect, for all tonnage delivered or caused to be delivered to the county system, in accordance with Article III of the intermunicipal agreement.
- C. Execution. Appropriate officers of this municipality are authorized and directed to execute the intermunicipal agreement on behalf of this municipality:
 - D. Findings under Intergovernmental Competition Act. As required by the Intergovernmental Cooperation Act of July 12, 1972, P.L. 762, No. 180 as amended, the

following matters are specifically found and determined:

- (1) The conditions of agreement as set forth in the intermunicipal agreement.
- (2) The duration of the term of the agreement is set forth in Section 901 of the intermunicipal agreement.
- (3) The purpose of the intermunicipal agreement is to cooperate with the county or municipal waste authority and other participating municipalities in implementing the plan.
- (4) The agreement will be financed through the budgeting and appropriation of funds by municipality as necessary to meet municipality's obligations.
- (5) The organizational structure necessary to implement the agreement is set forth in the intermunicipal agreement-with which the current officers of municipality shall cooperate.
- (6) The manner in which property, real or personal, shall be acquired, managed, licensed or disposed of is by way of lease or other contract otherwise as set forth in the intermunicipal agreement.
- (7) The agreement contemplates cooperation with county or municipal waste authority, which entities are empowered to enter into contracts for policies of group insurance and employee benefits, including social security, for its employees.

§ 165-14. Construal.

The terms and provisions of this article are to be liberally construed, so as best to achieve and to effectuate the goals and purposes hereof. This article shall be construed in pari material with Act 97 and Act 101.

SECTION II. SEVERABILITY

If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such provisions shall be separate, distinct and independent and such holding shall not affect the validity of the remaining portions of this Ordinance.

SECTION III. RATIFICATION

This Ordinance shall in no other way affect, amend or modify the Zoning Ordinance contained in Chapter 162 of the code of East Norriton Township

SECTION IV. FAILURE TO ENFORCE NOT A WAIVER

The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.

ENACTED AND ORDAINED by the Board of Supervisors of East Norriton Township, Montgomery County, Pennsylvania, this 28th day of October, 2008.
